1st Request for Survey

Mr. Harlen Keaton
Polk County Radiological and Occupational Health
P.O. Box 1480
Winter Haven, Florida 33880

Dear Mr. Keaton:

I am writing to request the Polk County Health Department to make a radiation check on my property in Lakeland. I am currently having a master development plan prepared for the property. In planning for its future development, we need to know the background radiation data.

I have enclosed a map of the site. Please inform my planner, Mr. Jack Glatting, of the results of your survey. If you have any questions or problems, please contact Mr. Glatting at the address below:

Mr. Jack Glatting
Glatting, Lopez and Sellen Inc.
116 E. Comstock Avenue
Winter Park, Florida 32789

I would like to meet with you or your staff on the site to provide access to the property and show you the Master Plan. You can arrange this meeting by calling my office (646-4580).

Thank you for your help.

Sincerely,

Ron Doremus
